

Summer Reading Reflection

Student Name: _____ Entering Grade: _____

After you have read your book, you may earn extra points by completing a reflection. This is not required, but it will help tremendously in your overall points awarded for our summer reading contest. The extra points will only be given for completing your “best work”, with quality work at your grade level, neat handwriting, checking for spelling, grammar, complete sentences, etc. Consider the questions below as you write your reflection. Choose which topic(s) you would like to share about your book.

Fiction:

- Which scene in the book stands out in your memory?
- What was the main character like? How did he/she change, and what caused the change?
- Was there a problem, and how was it solved? What might have happened if it had not been solved?
- What advice would you like to give the main character?

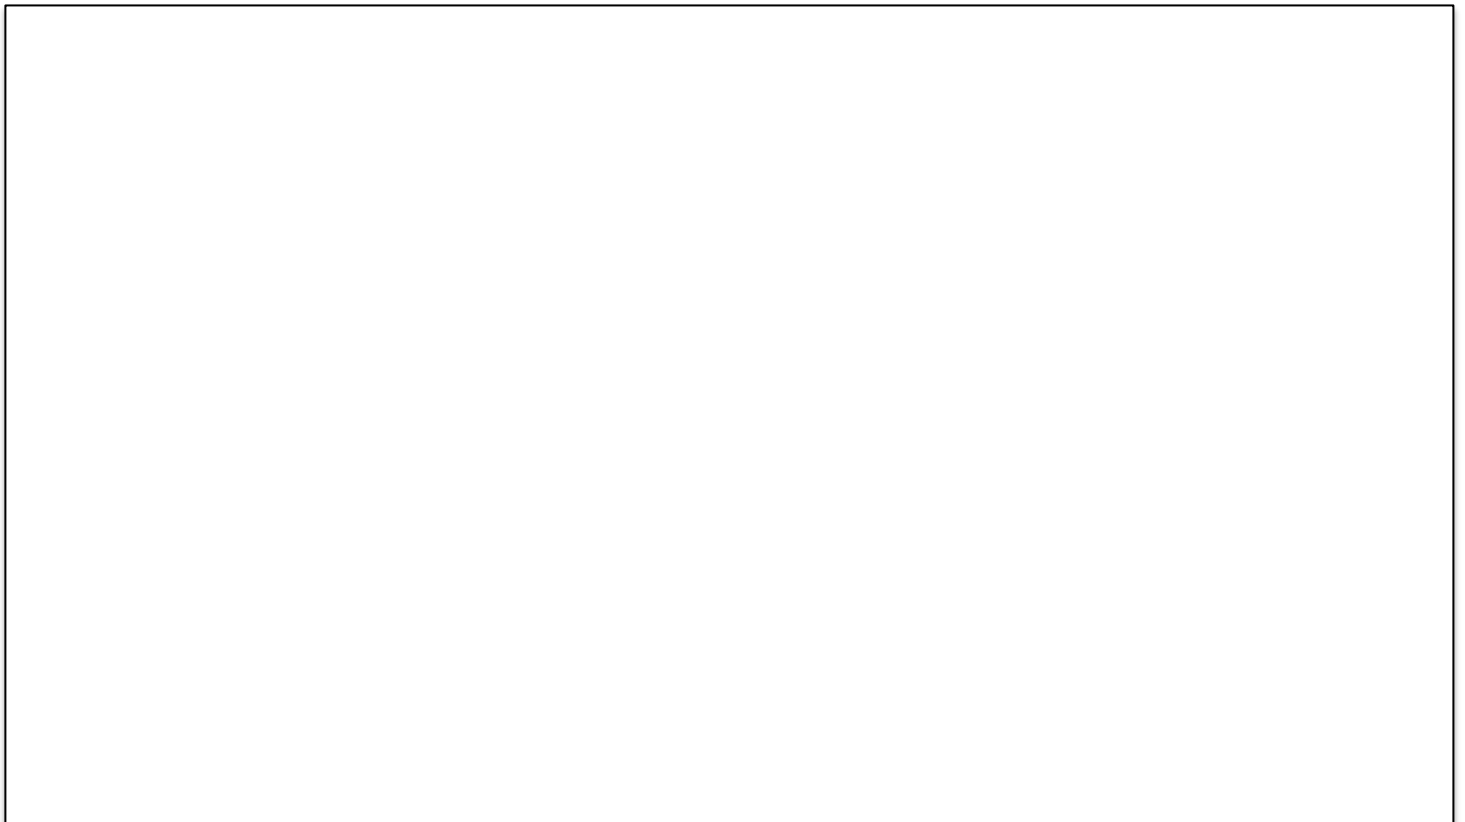

Non-Fiction:

- What new thing(s) did you learn in this book?
- What else would you like to learn about this topic?
