1) Half Day Kindergarten provides young 5s with a play-based learning experience aligned with kindergarten academic standards. This class is designed for children who thrive emotionally, socially, and in preschool academics but are not yet ready for the rigor of a full-day kindergarten curriculum. Participation in this program does not fulfill the requirements or serve as a replacement for kindergarten.

2) Tuition includes fees for book rental, technology, supplies, lab activities, and field trips.

3) Families may apply for financial aid through FACTS Tuition Management at www.factsmgt.com.

4) Discounts may be available starting in full-day Kindergarten - 8th grade.
